

Greater Cambridge Local Plan

Sites submitted to the Call for Green Sites 2020

Key

 Green site submitted

Please note that this map includes the whole of the Cambridge Green Belt as that was submitted as a green site to the Call for Green Sites.

Inclusion on this map does not indicate that the Greater Cambridge Shared Planning Service considers any site suitable for safeguarding as green space.

All sites will be assessed as part of the Green Infrastructure evidence base study commissioned by the Councils, which will be published in due course.
